

Allergy and Asthma Associates, P.A.

James Banks, M.D. & Timothy Andrews, M.D.

WELCOME TO OUR OFFICE FOR TESTING

Appointment date: _____ Appointment time: _____

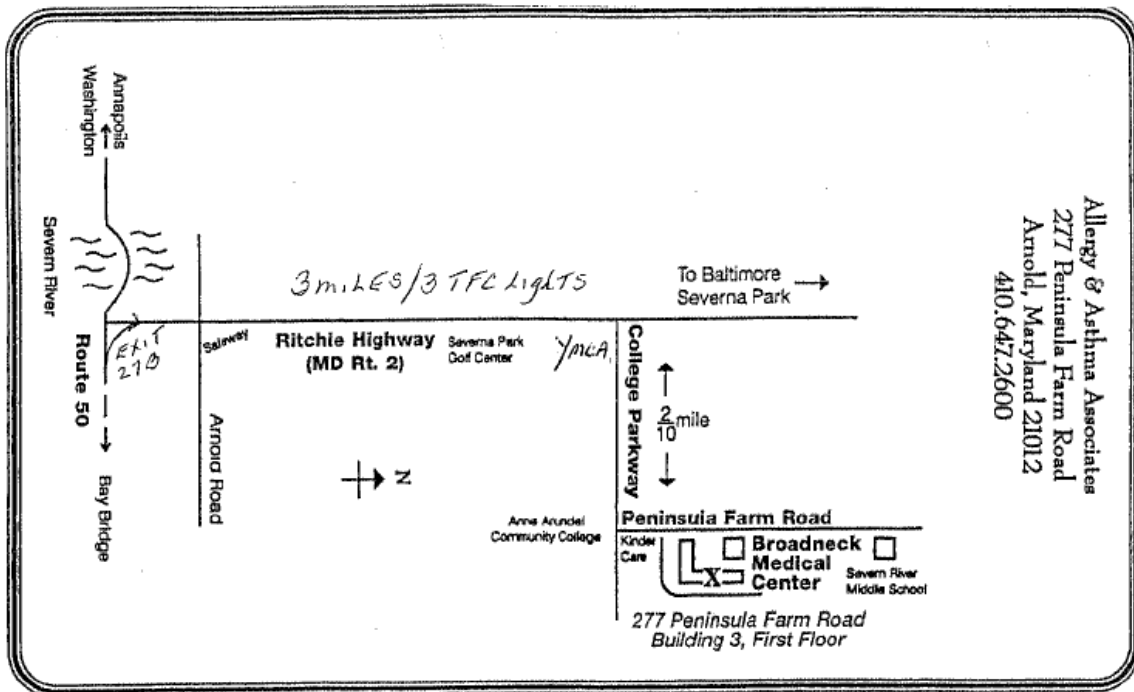

Thank you for choosing Allergy and Asthma Associates for your medical care. Please be aware that New Patient Appointments with Testing may take 2-3 hours in the office and follow the special instructions below if indicated.

SPECIAL INSTRUCTIONS

All antihistamines and certain cough suppressants and antidepressants must be stopped for designated periods of time before testing. See "Medications to be Stopped" on our website www.annapollendocs.com under types of appointments, new patient with skin testing. Check with the office if you have any doubt whether you may continue to take any given medication. Please wear short sleeves. One adult per minor patient being tested must be present. Our goal is to provide exceptional care in a kind and caring atmosphere. We strive to maintain the highest quality standards. We make every attempt to educate patients so they may help and/or improve their own medical condition. Knowledge is key for physician, staff and patients. The physician and staff know that our patients are the only reason we are in business. **Please be sure to call the office at 410.647.2600 if you have a question about your appointment.**

Please bring the following to your appointment:

- Your insurance card
- Completed paperwork (1-page registration form & 5-page Allergy Questionnaire)
- A referral if required
- Co-payment if required for specialist
- Photo ID
- Please bring copies of any chest or sinus x-rays & CT scans with you or notes from your referring doctor if applicable
- Please do not mail forms, just bring them with you.
- Kindly give 24 hours' notice to avoid a possible No-Show Fee of \$75 for new patients and \$25 for established patients
